

# PROGRAM SCHEDULE

## International Academy of GNATHOLOGY *American Section*

CONGRESS XXII  
SEPTEMBER 14 - 17, 2005

AMERICAN SECTION

## GROWING THE IAG... "BRING A FRIEND"

**Congress XXII · Fairmont Empress Hotel  
Victoria, British Columbia  
September 14-17, 2005**

The American Section of the International Academy of Gnathology is evolving. With a renewed pledge to membership services and top-notch professional programs, the IAG is securing its position as a leading organization supporting high-quality, occlusion-focused dentistry.

To ensure the success of these programs and to continue as a viable organization, the membership of the International Academy of Gnathology, American Section must increase. The IAG wants to grow via attendance at its Congresses and, in the future, other sponsored educational events. Once prospective members experience the overall value of a Congress, attendees will hopefully want to join the IAG, establishing a long-term relationship.

The best new member in the IAG is probably someone like you...someone you work with... someone who shares your passion for quality dentistry. Current members are asked to help in the growth of the IAG. Invite your friends and associates to IAG Congresses and other sponsored events. "Bring a friend" will benefit our organization and may provide the rewards of a lifetime association with a progressive, first-class organization and motivated dentists like you.

## SCHEDULE

### **Wednesday, September 14 — P.M. Session**

---

1:00-1:05.....	Cronin
1:05-1:15.....	Mansueto
1:15-1:30.....	Flatley
1:35-1:55.....	Cronin
